

May 2, 2022

To our valued customers:

We are excited to announce that effective as of May 2, 2022, Protegis Fire & Safety has been acquired by Summit Fire & Security, a subsidiary of SFP Holding (d/b/a Summit Companies).

We're extremely excited about the future for our customers and team members. Summit Fire & Security's commitment to putting customers first and providing the best solutions for fire protection, life safety, and security creates a partnership resulting in unbeatable knowledge and expertise with the ability to continue serving you on a regional and national scale.

As we join Summit Fire & Security, you will have access to 58 locations across 20 states as we continue offering you full access to a comprehensive suite of all fire protection and security services. Your point of contact for your locations will not change and you will continue to receive the same level of support and expertise for your facilities:

- Fire Sprinkler Systems
- Fire Alarm Systems
- Special Hazard Systems
- Fire Doors and Fire/Smoke Dampers
- Nurse Call Systems
- Fire Extinguishers
- Kitchen Hood Suppression
- Exit and Emergency Lights
- Fire Stopping Surveys
- Best-In-Class Technology
- Security services, including CCTV, Access Control and Monitoring
- Consultations from Professional Engineers

We are very grateful for the continued partnership we have with you. We want you to know that you, our customer, are the most important part of our business and you will continue to receive the industry's best, most reliable service.

We will be sure to communicate any relevant updates in the future. You can be assured that all your services currently in place will not be interrupted. The COI you have is still valid and the remit to address remains the same. If you have any questions, please do not hesitate to contact us.

Sincerely,
