### **Florida Fire Service Officially Changes Name to Protegis, LLC dba Protegis Fire & Safety**

*The name change allows the company to unify its operations under one brand.*

**Cleveland, OH** – Protegis Fire & Safety (“Protegis”), announced today that its recently acquired company, Tampa area-based Florida Fire Service (“Florida Fire”), has officially changed its name to Protegis Fire & Safety. Adding a location that serves the Tampa Bay market is part of Protegis’ strategic plan to grow its branch-service footprint.

“While the name is changing, the exceptional service is not,” says Peter van Niekerk, CEO of Protegis. “Joining forces with Protegis last November has helped Florida Fire serve their customers better by expanding their capabilities and expertise. This name change is simply part of an ongoing shift of our great local team to the Protegis brand.”

Florida Fire now joins the former International Systems of America (“ISA”), ABCO Fire Protection (“ABCO”), and Fireguard LLC (“Fireguard”) who rebranded as Protegis Fire & Safety in 2019. The promise continues with our newest addition: “Trust Protegis: we take care of ALL your fire safety needs, we do it RIGHT, we make it EASY.”

#### **About Protegis**

Protegis (the “Company”) provides inspection, maintenance, installation, and repair services and sells new, repaired, and remanufactured parts for fire and security systems and equipment. The Company’s team of professional engineers/designers and NICET-certified technicians design, install and program a wide variety of fire and security alarm brands. The Company’s national footprint and one-stop solution attract customers seeking to simplify their fire safety services spend and increase service quality through vendor consolidation.
